

SMAC INDOOR TRACK SERIES

FIRST MEET OF 2011 IS THE LARGEST IN THE HISTORY OF SERIES

Northampton - Jan. 9, 2011

The 2011 SMAC Indoor Track Series got off to an incredible start as the all-time record attendance was broken with a stunning turnout of 250 athletes. The previous record of 241, set back in 1998, was surpassed thanks to the presence of several teams including the SMAC youth program.

The men's competition saw two double winners in Chris Rose of Hartford, CT and Lance Flamino of Hancock, NH. Rose blazed to the No. 6 fastest time ever in the 400 in 50.4 and just missed the meet record in the 200 with a speedy 22.6. Flamino, who brought a large contingent from the Conant School in New Hampshire where he coaches, won the mile in 4:34.6 and the 3000 in 10:08.8.
