Muggy, then rain ten minutes into the race. Hard downpour after 20 minutes. Awards ceremony washed out. Empty award envelopes given by mistake (shall be remedied). Before the start, Joellen Cameron made very humorous and complimentary remarks to the throng on the completion of 25 seasons of the Nton5kX-CRaces and presented the Grants (Don, Sue & April) with a handsome clock. Volunteers: Bob Bissell, Sue and April Grant, Bryon Dailey and many others helped shift all the soggy stuff into the belly of our great white whale. We had our second best attendance averaging 78 finishers over 26 weeks despite 10+ rainy days. Next series begins Tuesday 3 April 2012. W = Runners who have won our race previously.
