

SMAC BOD Meeting at Bement School      Wednesday, August 15, 2007

**Present tonite:** Auskern, Bensen, Martula (Treasurer), Hansen, Hebert, Mazzola, Stone, Utakis (President), Woods.

**Minutes:** July's minutes, taken by that reluctant but efficient sub, Dave Martula, were pronounced "OK," "good," and even "timely." Which is more than can be said about May's, June's or this month's.

**Treasurer's Report:** Back in his comfort zone, the estimable Mr. Martula provided numbers, reports of tax form filings, and specific opinions ("We're better off than at this time last year."). He noted the need for information about prices for SMAC items for sale.
