

SMAC Bod at Bement - Feb 20, 2008

Board Members present:

Jeff, Carrie, Donna, Mark, David, Barry, Judy, Jim, Chuck, Cathy, Ron, Derek

Meeting at Bement -

Evening of the lunar eclipse.

Called to order after late arrival of pizzas. Pizza delivery boy mumbled some excuse about a tardy wife, but all excuses were rejected by the Board.

Previous meeting minutes were accepted as glanced over.

Treasurer's report was read and accepted.

Membership: Some loss due to fact that we have lost use of Smith track for youth. Some talk about procreation, as it relates to getting families to join SMAC(?)

Publicity: Wamda table on March 1st. Donna pushing sales of products.

Kate, grad student from UMASS, whom David had invited to attend meeting to talk about testing 30-60 year olds.

Donna questioned David about pre-approval of new website. There was also an interest in accessing the site ourselves to put up information. Carrie complained about the outdated News and happenings. A discussion about the problems with the website followed. David suggested getting together at his house and going over all the concerns about the website. He will contact the Board with dates.

Derek will work on the youth track meets.

Spring movie night is April 17th. The first movie will be "Donna Does Dallas". (Mark made me put this in.) Site will be Hojos in Hadley. Jim will get film.

We need to advertise this evening on the website.

Jones 10-miler: Looks pretty set. Donna modeled the numbers. No bagels. 75 pizzas. 300 yogurts. We need a starter pistol. Ron to order megaphone.

Meeting adjourned 8:15 PM before the eclipse.

Dave Martula

P.S. - Spring movie night is April 17th. The first movie will be "Donna Does Dallas". (Mark made me put this in - I don't think so Dave. If you want to bring about the wrath of Donna that is your business, but leave me out out of it) Site will be HoJos in Hadley. Jim will get film. We need to advertise this evening on the website.

While I actually have "done" Dallas (3:42:24 in 2004 and 3:38:43 in 2006), neither performance warranted a full-length feature movie. That said, I think the reference to the movie needs to be deleted from the minutes to prevent any accusations of false advertising.
